

Living with Cancer Program Volunteer Opportunity

The Living with Cancer program is a weekly support group for adults with advanced cancer and their caregivers. This four hour group is coordinated by Hospice Calgary staff with the support of volunteers who provide physical assistance, emotional support and complementary therapies on site.

Hospice Calgary would like to welcome your corporate or community group to assist us with serving lunch to our participants. This is an ongoing opportunity with monthly date options available.

Location: Sage Centre, 1245 70 Avenue SE
Hours: Wednesdays, 11:00 am – 2:00 pm
Group Size: 2-4 people

Role Description

Volunteers will assist the staff cook, program staff and volunteers to provide quality meal services to the participants in the Living with Cancer program.

Volunteers will be under the supervision of the staff cook and program coordinator throughout their volunteer shift.
