Email Template:

Hello,

I'm fundraising in support of Rosedale Hospice as part of the Together for Rosedale campaign. I would appreciate your support!

Rosedale Hospice is a 7-bed hospice for adults with advanced cancer at end-of-life. It provides comprehensive support to both the patient and their families. Operated and funded by Hospice Calgary, this facility provides exceptional care at one of life's most challenging moments.

Please help me support this great cause by donating to my fundraising page today: [add your fundraising page link here]. Together, we can make an impact for more families in need.

Thank you for your support!
