

Hospice Calgary guides children, teens, and adults through the grieving process as they face advanced illness and death of a loved one. Our team of professionals provide individual, family and group support as well as 24 hour end-of-life care. We promise to have the difficult conversations about death, dying, and grief while hearing everyone's unique story and responding with compassion.

## Our Mission

To help families and individuals achieve support, hope, and well-being through compassionate end-of-life and bereavement care.

## Our Organization

### *We are leaders*

We strive for excellence and provide high quality service to our clients.

### *We live our values*

We don't just say we value compassion and empathy, we demonstrate these values daily.

### *We make a difference*

We respect the individual needs of each patient/client and know we have a positive impact on the community.

## **Baby Boomers are Retiring - Join Our Leadership Team!**

**Director of *Living with Advanced Illness Centre***

1.0 FTE, Permanent

### **Position Summary:**

The Director of *Living with Advanced Illness Centre* oversees the Centre's day-to-day activities and assumes primary responsibility for the supervision and development of the *Living with Advanced Illness Centre* team.

### **The Ideal Candidate:**

#### **Is Passionate About Community-Based Hospice and Palliative Care**

– The ideal candidate understands emotional support is just as vital as physical care when dealing with advanced illness to help people live well at home as long as they are able. They actively engage and lead education and awareness building initiatives related to advanced illness from patient, family, and caregiver perspectives. They are excited to strengthen and expand community-based programming for a greater impact.

**Is an Experienced Clinician** – With a minimum of 5 years clinical case management and program development, the candidate has a Master's Degree and current registration with a professional association. They have advanced critical thinking and problem solving skills to work through complex situations.

**Is a Collaborator** – An exceptional communicator and people person, the ideal candidate works within a consensus decision making model that is a guiding principle at Hospice Calgary. They have a strong sense of inquiry, understand the importance of context when developing solutions, and have high emotional intelligence. They like to be involved in community networks, strengthen partnerships, and keep up with emerging trends.

### **Qualifications & Competencies:**

- Master's Degree in Social Work, Nursing, Counselling, or related discipline is required.
- Current registration with professional association is required.
- Expertise in end-of-life, grief and trauma clinical practice.
- 5 years progressive experience with clinical case, program development, and management.
- Successful record of establishing and maintaining effective and professional relationships within the social services sector.
