### About Campaign

Welcome to my Personal Page!

I'm Hiking for Hospice Calgary! This year, the hike is virtual and I will be hiking between May 1 - 10th. For 10 days, we will all be taking to our treadmills, walking around our houses, or walking in our neighbourhood or nearby park!

I am proud to be part of this year's event and to support such a worthy cause! Please help by donating today! Your gift, no matter how large or small, will make the world of difference for families facing advanced illness or the death of someone close to them.

Donating is easy, and every gift will receive a tax-deductible receipt. I hope that you will share this journey with me - join my team, or make a donation. Every dollar helps! With your support, you'll help ensure Hospice Calgary's programs and services are available for those that need them most. Thank you for your support!
