

Hospice Calgary has been guiding children, teens, and adults through the grieving process as they face advanced illness and death of someone in their life for over 30 years. Our team of professionals provide individual, family and group support as well as 24-hour end-of-life care. We promise to have the difficult conversations about death, dying, and grief while hearing everyone's unique story and responding with compassion.

Our Workplace

Hospice Calgary believes people are the key to what we do. Each person is seen, welcomed, and recognized for who they are so that they can be their best selves.

Our Mission

To help families and individuals achieve support, hope, and well-being through compassionate end-of-life and bereavement care.

Applications will be accepted until **September 30, 2024**. Only qualified applicants will be contacted.
